I hereby assign to the United Industrial, Service, Transportation, Professional and Government Workers of North America, and direct my Employer to deduct from my wages earned or to be earned by me during this and each month thereafter, regular monthly membership dues in an amount equal to two (2) hours pay based upon my hourly pay rate during the appropriate months for which dues are paid. However, I understand that in no event shall my monthly dues be less than twenty dollars (\$20.00) or twice the Federal hourly minimum wage; whichever amount is higher. Such dues or agency fees are to be deducted from the first pay period of each month. This authorization is made by me and shall continue under its terms irrespective of my membership status in the Union.

In the alternative, I hereby assign to the Union, and direct my Employer to deduct from my wages as stated above, agency fees. The agency fee amount varies from year to year and is published annually in the union's newsletter (The United Worker) but is generally between 94% and 97% of the dues amount. I signify my choice of this option by initialing here ____.

This assignment and authorization shall be irrevocable for a period of one (1) year from the date hereof, or until the termination date of the current collective bargaining agreement between the Union and the Employer, whichever is the shorter period, and shall be automatically irrevocably renewed for like periods unless, within the thirty (30) day period beginning fifteen (15) days before and ending fifteen (15) days following the end of any renewal period, I submit a written revocation signed by myself and sent by registered mail, return receipt requested, to the Union's Secretary-Treasurer. I further understand that this authorization is effective unless properly revoked, irrespective of my membership status.

Unless indicated by my initials above, if any initiation fees are due and owing to the union, I further authorize you to deduct from my first pay period an amount equal to one-quarter (¼) of the Union's initiation fees, and a like one-quarter (¼) amount during each of the next three (3) consecutive months, which amounts shall be certified by the Union's Secretary-Treasurer as the initiation fees.

All monies deducted from my earnings as provided above shall be held by my employer, in trust, and be remitted monthly to the Union on or before the 20th day of each and every month.

This authorization shall be effective on the date of its signing by me.
